Here is your copy of rota duties, from the first Sunday in December 2011 to the last Sunday in February 2012, inclusive. If you are unable to fulfil a duty, for whatever reason, please would you arrange a mutually convenient swap and amend the master copy, in the church lobby, accordingly.

* Welcomers are asked to 'top AND tail' services, i.e. be prepared not only to welcome people as they arrive, but also to be there at the end of a service to ask how they felt about it and to say farewell.
