

21st Century

Marriage

Sharing a lifetime together has its ups and downs - so Rob's gentle humour and timeless wisdom is for every couple

The 21st Century Marriage Course

Wednesday 16th & 23rd May at St. Paul's
Church Canford Heath, BH17 9DW.

7.30pm to 9.45pm (doors open 7.15pm).

Price £40 (£20 per couple per evening)

The 21st Century Marriage Course: The time and effort that goes into organising the wedding day is amazing. Most of us spend many hours preparing for the big day and very little time investing in the days, months and years after then, which is really where all the hard work begins!

We believe that investing in marriage is important – whether you’ve been married 2 months or 52 years. Whether you think you’ve got the perfect marriage or finding married life hard work, we want to help you make it a better marriage. That’s where *21st Century Marriage* comes in. *21st Century Marriage* is DVD-based course presented by Care for the Family’s Rob Parsons. Its light-hearted approach to marriage makes it a fantastic tool to help build and strengthen lasting relationships.

Many people fit so many things into their lives that they barely make time for their marriage. By going on the *21st Century Marriage* course you will be investing time in your relationship together.

Make it a date night! If you attend the course we will treat you to a glass of wine (or two) and a three course meal. It’ll be like a date night! You’ll sit at your own table as a couple and there will be no group discussion and no requirement to talk about your relationship to anyone else. Courses will be interspersed with short talks by Rob Parsons and there will be questions for you to discuss together as a couple.

How to book your place: The price is £20 per couple per night (so £40 in total). If you can’t afford to pay this please pay what you can afford. You will need to let us know your food choices (see the menu over the page) and confirm and pay for your places by Sunday 13th May. Cheques payable to ‘St. Paul’s Church’.

Spaces are limited so please book ASAP
